

Congress of the United States
House of Representatives
Washington, DC 20515
June 20, 2002

President George W. Bush
The White House
1600 Pennsylvania Avenue, NW
Washington, DC 20500

Dear Mr. President:

To win the War on Terrorism and sustain economic growth, the federal government must control spending.

To this end, we will sustain your veto of any supplemental appropriation legislation that:

- Requires that you spend in excess of \$27.1 billion, the amount of emergency 2002 supplemental spending you requested; or
- Provides less than you requested to win the War on Terrorism, or to rebuild New York.

The bill passed by the House on May 24 by a vote of 280-138 meets these criteria. We write to show our strong support for holding the line on excessive government spending.

Sincerely,

Dink Amey
